Dear Mr Krishnaswamy Aiyar

I do sincerely
hope that the
Tamil Literature and the
Tamil Universities
will be made
subservient to Tamil life.
Tamil is an ancient
language having a literature
which is one long expression
of Aryan Culture and
Spirit and Mechanism

y mal facts will enable one
to understand the history
of an Indian. Thus after
we shall have suppressed
all traces of the history of
our Country. We must
not forget to suppress
the press and the memory
in the future ||

I have much pleasure
in enclosing a cheque for
a small amount in
token of my regard for
(26) the destruction of Indian
and patriots

Yours sincerely
